US SPARS is a part of group Z-Spars, the world's largest spar builders. From a small shop in Paris making bows and arrow to the largest spar producing group on the planet, the Z-Spars Group is now at the forefront of the spar design. The Z-Spars Group has been supplying custom and production spars and rigging since 1973 and now supply's sailing enthusiasts and boat builders of the world with over 6,000 spars annually. With a network of smaller agents, we can supply products to every country in the world.

Established in 1998, US SPARS extends the Z-Spars line of boating products to better serve our US customers. US SPARS staff take pride in the exceptional customer service and individual attention given to all of our customers.
